

Heroes

Are you a fan of superhero movies? Many people around the world are. Superheroes are **exciting** for many people. Maybe it's their superpowers. Superheroes are usually very brave, so they don't think twice before they **perform** heroic acts. Many of them have amazing **abilities**. Once they discover their superpowers, they learn how to master them. They care a lot for other people, so they are always ready to help and to **save** them when they are in trouble.

Heroes and **heroines** are not only found in movies. You can meet them in real life as well. Think about the people who work to protect us: soldiers, doctors, nurses and many more. Think about the people who **volunteer** in order to help the **weak among us**. Heroes are **everywhere**.
