

Read the following text:

In the Library

We have a library at school. It is a big room with many shelves. On the shelves there are books. We have so many books in the library. How many? Maybe 1,000.

I go to the library on Tuesdays. I go there when I have time. I return a book and take a new one. I like comic books. I also like history books. I don't like books about nature.

Sally is our librarian. She works in the library. She knows all the books in the library. Sometimes I don't find a good book. I go to Sally and I ask "Can you help me, please?" She is always nice, and she helps me.

I take the library books home. I read them there. After I finish a book, I return it to the library. It is important to return the books on time. Sometimes I sit in the library and read there. The library is quiet. It is nice to read there.
