

Read the following text:

A Real Cowboy

I like to watch movies about cowboys. But cowboys are not only in movies. My uncle Jack is a cowboy. He is a real cowboy. That is his job. He lives and works on a ranch. The ranch is in America.

Every morning Jack wears his cowboy clothes. He has a hat, boots, and jeans. That is what all cowboys wear. He goes to work with Charlie. Charlie is his dog. Charlie helps Jack with his work. Jack also takes Lady to work. Lady is his horse. She is black. Jack rides Lady at work.

Jack the cowboy works with cows. He takes them to the field. In the field the cows eat. They like to eat fresh grass. After they eat, Jack takes them back to the ranch. Charlie and Lady help him. Thanks to them, Jack never loses a cow.
