

Read the following text:

Little Plastic World

Playmobil is a very popular game. Many kids like to play it. It is popular in many countries. Playmobil is a little plastic world. It is full of plastic people. There are pirates and Indians. There are builders and farmers. There are astronauts and knights. There are also animals and cars and even Playmobil houses.

Why do kids like Playmobil so much? Maybe because there are many kinds of Playmobil. One day you can build a farm. Another day you can fly to the Moon. Maybe because you can mix the games. The farmers can stand on the ship. The pirates can ride horses.

Playmobil is not just a game. There are also Playmobil parks. There are parks in Germany, Malta and France. There are playmobil parks in other countries too. The Playmobil parks are a big plastic world.
